

## Year 2 Spring 1

### Toys

#### In English we will:

- Make sure our handwriting is neat and correctly formed.
- Make sure we speak clearly using correct grammar.
- Reading and answering questions.
- Sharing stories.
- Writing different stories, information, letters and other forms of writing.

#### As designers we will:

- Design and make a toy.
- Explore a selection of moving mechanisms for a children's book.
- Make a book including up to 2 of the moving mechanisms

#### As historians we will:

- Learn about Ole Kirk Christianson
- Look at a selection of toys from years ago.

#### As mathematicians we will:

- Think about numbers are made of tens and ones.
- Add and subtract.
- Multiply and divide.
- Collecting data and making graphs.
- Count forwards and backwards from any number to 100.
- Count in 2's, 5's and 10's and the multiplications to go with it.
- Learn number pairs that make 10 or 20.

#### As scientists we will:

- Learn about a variety of everyday materials and think about suitability for purpose.

#### Every day we will:

- Learn about time, the continents, how to be good friends, learning about the weather and the world around us.
- Develop our social skills.
- Develop our physical skills both fine and gross.
