

**Year 2 Spring 2**  
**In an English Country Garden**

**In English we will:**

- Make sure our handwriting is neat and correctly formed.
- Make sure we speak clearly using correct grammar.
- Reading and answering questions.
- Sharing stories.
- Writing different stories, information, letters and other forms of writing.

**As mathematicians we will:**

- Explore shape, space and measure.
- Add and subtract.
- Multiply and divide.
- Telling the time to the nearest 15 mins.
- Count forwards and backwards from any number to 100.
- Count in 2's, 5's and 10's and the multiplications to go with it.
- Learn number pairs that make 10 or 20.

**As Scientists we will:**

- Be looking at and identifying a variety of wild and common plants.
- Identifying a variety of common animals that are carnivores, herbivores and omnivores.
- Find out about and describe how plants need water, light and a suitable temp to grow and stay healthy.

**Every day we will:**

- Learn about time, the continents, how to be good friends, learning about the weather and the world around us.
- Develop our social skills.
- Develop our physical skills both fine and gross.
- Working towards our SATs paperds
