

Year 2 Summer 1

A World of Water

In English we will:

- Make sure our handwriting is neat and correctly formed.
- Make sure we speak clearly using correct grammar.
- Reading and answering questions.
- Sharing stories.
- Writing different stories, information, letters and other forms of writing.

In Geography we will:

- Name and locate the worlds 7 continents and 5 oceans.
- Use basic geographical vocab to refer to key features.
- Name, locate and identify characteristics of the four countries and capital cities of the UK and its surrounding areas
- Explore general map skills.
- Use world maps, atlases and globes to identify the UK and its countries as well as the countries, continents and oceans.

As mathematicians we will:

- Problem solving
- Add and subtract.
- Multiply and divide.
- Exploring shape, space and measure.
- Count forwards and backwards from any number to 100.
- Word problems.

As Scientists we will:

- Look at food chains and what animals need to survive
- Animal habitats.

Every day we will:

- Learn about time, the continents, how to be good friends, learning about the weather and the world around us.
- Develop our social skills.
- Develop our physical skills both fine and gross.
