

P.E and Sport Premium 2016-2017

‘Just keep going. Everybody gets better if they keep at it.’

Here at Eastfield Infants and Nursery school our aim is to ensure all children become confident and more skilful learners. This begins in the nursery with the opportunity to develop physical skills through play and exploration. This continues with progression through the years until they are equipped with the skills and knowledge to help them become lifelong learners and sports people. We have been given the funding to allow us to ensure that our children are getting the opportunity to access high quality P.E and sports.

What is P.E and Sport Premium?

The government is providing funding annum for the academic year 2017-2018 to provide substantial primary school sport funding. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to the school to spend on improving the quality of sport and PE for all their children. It can only be used for improving sports and P.E within schools. For more information:

<https://www.gov.uk/guidance/pe-and-sport-premium-for-primary-schools>

How much is the P.E and Sport Premium?

The total amount of money received depends on the eligibility of the pupils in school.

Here at Eastfield we qualified for £9000 + £5 per pupil.

What was the money used for in 2016-2017?

*Funded professional, high quality coaching sessions each week for Year 1 and 2 through JB Sports Coaching. Teachers have worked in conjunction with JB Sports to facilitate these sessions, and have access to detailed lesson plans and assessments of pupils, thus providing continuous professional development in all areas. (Coaching sessions Year 1 and 2: Mondays/Tuesdays afternoons @ £60 per session =£4,200.)

*Provided opportunity for Year 1 and 2 to take part in sports clubs on a Monday and Wednesday after school. (20 weeks @£30 per session = £600)

*Sports coach for FS2 in the summer term. (£1,400)

*Provided opportunity for Year 1 and 2 to take part in a bike club after school on Thursday in the Summer Term.

*KS1 sports day run by sports coaches.

Please note the coaches operated by JB sports Coaching provided the range of sports activities as required by the national curriculum for KS1. Copies of the planning and assessment made by the coaches is available on request.

‘Pupils should develop fundamental movement skills, become increasingly competent and confident and access a broad range of opportunities to extend their agility, balance and coordination, individually and with others. They should be able to engage in competitive (both against self and against others) and co-operative physical activities, in a range of increasingly challenging situations. Pupils should be taught to: ♣ master basic movements including running, jumping, throwing and catching, as well as developing balance, agility and co-ordination, and begin to apply these in a range of activities ♣ participate in team games, developing simple tactics for attacking and defending ♣ perform dances using simple movement patterns.’ (DFES National Curriculum 2014 KS1)

What impact has it had?

Teacher confidence has been raised and teachers report that they have gained more knowledge of how to teach high quality P.E by observing and working with the sports coaches.

Teachers report they have seen an increase in children actively taking part in P.E lessons with the coaches and that the children look forward to and enjoy the lessons.

100% of 1 and 2 children have had high quality P.E lessons delivered by specialist coaches who have planned detailed lessons and assessed children.

100% of 1 and 2 children took part in school sports day run by the sports coaches.

All year 1 and 2 have had access to after school clubs run by sports coaches. The uptake having been between 25-35% of year 1 and 2 attending the clubs.

All year 2 had access to bike club with an uptake of around 29%.

All Foundation Stage had high quality P.E delivered by a specialist P.E coach.

What can we hope for in the future?

In 2017-2018 Eastfield Infants and Nursery School will receive £16,000 and an additional payment of £10 per pupil

In the school year 2017-2018 we have already considered how we can use the funding to improve and develop sports and P.E within the school. We have already been in discussions with the sports coaches for them to provide further specialist teaching. Below is an overview of what we hope achieve in the coming year.

Sept 2017 – July 2018 Y1/2

Coaching sessions Year 1 and 2: Mondays/Tuesdays afternoons @ £60 per session =£4,200.

Lunchtime club: Mondays/Tuesdays @ £20 = £1,400

After school club for 20 weeks @ £30 = £600

FS1/2

Autumn Term 2/Spring 1/Spring 2 – FS2 Coaching session wed am approx. 20 weeks @£60 = £1,200

Summer Term 2 – Balance ability – Wed morning FS2/Tues Morning FS1 = £1,400

Other

One off P.E/playground equipment audit = £120

Autumn Term 2/Spring /Spring 2 – Yoga FS2

Whole school subscription to Jump Start Jonny (£150)

We also hope to involve more children in school clubs by providing a lunchtime club which is available to the children who are unable to stay after school. This is with the hope of targeting children who would benefit from extra P.E and sport for developing their gross and fine motor skills, developing and promoting self-confidence, making sure clubs are inclusive for all children.
